

# RIGA OLD TOWN WALK & CANAL BOAT RIDE

2 hours walking tour and 1 hour boat ride

During the **Riga Old Town walking tour**, you will enjoy the beauty of the ancient Hanseatic city, which was first referred to in chronicles in 1201. While strolling through the picturesque cobblestone streets of the Old Town you will see the Town Hall Square and House of the Brotherhood of Blackheads, St. Peter's Church – a significant 13th century monument of Gothic architecture with the tallest tower in Riga; Dome Cathedral that boasts one of the world's largest pipe organs; the former Stock exchange building, Small and Great Guild Houses, the architectural ensemble Three Brothers, St. Jacob's Cathedral, the Parliament House, the Swedish Gate, the Powder Tower, the Freedom Monument, and pass many other wonderfully restored buildings, now housing cosy restaurants, cafes, bars and souvenir shops.

After the walking tour, take a **boat ride** and admire the sights of Riga from a different angle – from the city canal and Daugava river. The route will take you along beautiful parks, the National Opera and Central Market out into the river Daugava, from where you can enjoy the view to the TV tower and the panorama of the Old Town.
